

Bookings

Dear Guest,

We thank you for your enquiry and are pleased to submit the information needed for your bookings.

When your dates, your tariff, may be complementary services, and the list of persons attending the stay will be confirmed, we will send you an invoice showing the total amount due as well as the amount of down payment and our bank information (see page 2).

The down payment will then have to be transferred promptly and we will ask you to inform us immediately on the date of transfer. This information will serve as a booking confirmation for seven days from the date of transfer. Meanwhile your dates will be reserved.

Receipt of the down payment will constitute a firm booking.

Down payment is due as follows:

More than one month before arrival, 20% upon booking, balance minimum 30 days before arrival.

One month before or less: total amount is payable upon booking.

Upon receipt of the balance, we will send an individual booking voucher for each of the guest arriving, which voucher we recommend to keep during your visit (see page 3).

For those who wish to have assistance for booking their tickets, we may help with contacts for travel agents specialized in travel to Mauritius. Otherwise we suggest Emirates.
